

SAMARTH PHAKATKAR

📍 Talegaon Dabhade, Pune • 📞 9373275656 • ✉ samarthphakatkar40@gmail.com

CAREER OBJECTIVE

Electronics & Telecommunication Engineering student (Batch 2027) with hands-on experience in data science, automation, and IoT projects. Skilled in Python, Java, data analysis, and problem-solving, with a strong interest in AI, machine learning, and emerging technologies. Quick learner with leadership experience, analytical thinking, and the ability to adapt to fast-paced, technology-driven environments.

INTERNSHIPS

B&R INDUSTRIAL AUTOMATION - INTERN	Jan 2026 - Feb 2026
Learned about PLC, Automation studio, HMI, iphysics studio .	
DATA SCIENCE INTERN, SHADOWFOX	Mar 2026- Apr 2026
Worked on problems of Data Visualisation, Data cleaning, Data analysis, Statistical modelling	

PROJECTS

Smart Glove:	Jan 2025 - Mar2025
- Sign Language Detection using Hand Glove - Developed in Second Year(SE) Utilized flex sensors and ESP32 microcontroller- Role: - Designed the ESP32 code, developed the application, and contributed to hardware integration.	
Box Lift Automation:	Jan 2026 -Feb2026
- Designed and implemented an automated box handling system with dual conveyors and lift control using B&R Automation Studio. - Built an interactive HMI for real-time control, improving system efficiency and reducing manual intervention.	
Smart EV Charger Monitoring and Protection System:	Mar 2026 - May2026
- Designed and developed an IoT-based EV charger monitoring system using ESP32, ACS712, ZMPT101B, and LM35 sensors for real-time monitoring of voltage, current, temperature, power, and energy consumption. - Implemented relay-based automatic fault protection and Blynk IoT integration for remote monitoring and improved charging safety.	

EDUCATION DETAILS

BE (ENTC)	Indira College of Engineering and Management,Pune	PURSUING	2023 - 2027
HSC	Jain Junior College,Pune	63.33%	2022 - 2023
SSC	KBEMS,Talegaon Dabhade	72.88%	2020 - 2021

CERTIFICATIONS

• Data Science - SHADOWFOX	2026
• ASDC xEV Shiksha -ASDC	2025
• EV Training Program -GTT FOUNDATION	2025
• ASDC Level-1 Charger: Installation to Activation Master-ASDC	2025

- **Technical Skills:** SQL,PLC Programming, Data Science, Java, Python, C++, HMI Design
- **Soft Skills:** Problem Solving, Active-Listening, Adaptability, Leadership, Critical Thinking
- **Languages:** English, Hindi ,Marathi, Japanese(beginner)
- **Roles and Responsibilities:** Vice President (ETSA), Sports Volunteer, Intern.
